Subject: RE: Regional Haze- Cholla facility BART Briefing paper for May 20 meeting

Yes, this is the only document from PacifiCorp and the cover letter is a good summary of their comments. As you know, we revised our costs to address some of their cost comments but did not remodel. Please note that PacifiCorp submitted an initial document, posted at EPA-R08-OAR-2015-0463-0162. They sent us the same document with some corrections (just Attachment 1 was changed), posted at EPA-R08-OAR-2015-0463-0169. So be sure you get the corrected version. At the risk of clogging your inbox, I'm attaching so Monica has it also.

To try and be ready if we are asked to provide something, I was thinking that sending PacifiCorp's comments on the proposal might be helpful. I looked in the docket and found the 213 page comment document from PacifiCorp – Is that the only/best file from PacifiCorp? (It looks like their 2 page summary might be helpful to prepare Janet for their thoughts on the proposal.)

Forwarding this paper from R9. I'll let Monica decide how to present to Darcy, Joan and Shaun here. I suspect I'll be busy making last minute FRN edits so I might rely on others to fill me in. I haven't heard that we need to prepare anything.

I noted Aaron was not on the meeting invite – it would be good to include him.

Monica and Gail,

I am forwarding on this briefing paper from R9 as a reference for this Friday's meeting with Pacificorp. Please distribute it on to other R8 colleagues as you see fit.

Best,

Vijay

HI All- here is Region 9's briefing paper on the Cholla facility in Arizona for Janet's meeting with Pacificorp on May 20. Please let us know if you need any additional information.

Thank you,

Elizabeth
